PROFILE SUMMARY

As a graduate of ISIPCA, I have gained experience in the development, formulation, reformulation, and evaluation of fragrance compositions for fine perfumery, skincare products, and home fragrance products. With extensive experience in translating creative and technical briefs into olfactory solutions, I develop fragrances that balance creative intent, technical performance, and regulatory compliance.

PROJECTS

- Essence de Couture | Creation of two fragrances for fashion collections & a database of 313 raw materials.
- 6 AM - LINN | Creation of a niche fragrance: concept, formulation, IFRA compliance, and brand identity.
- U'Cosmetics 2025 - National Top 30 | Development of a fragrance.

SKILLS

- Product Development, Formulation & Reformulation
- Consumer Insights & Fragrance Positioning
- Sensory Analysis & Olfactory Memory
- Regulatory Compliance (IFRA • CLP • MoCRA)
- Project Management & Cross-Functional Collaboration
- Digital Tools: Generative AI, Python, Microsoft Office

LANGUAGES

- French: Native
- English: Professional Working Proficiency
- Italian: Professional Working Proficiency

WORK EXPERIENCE

Galimard Paris - Paris, France 2024-PRESENT
Fragrance Evaluation & Development Apprentice-Apprenticeship

- Led two fragrance creation projects that captured the essence of fashion collections, including the full development of a fine fragrance composition, from formulation to regulatory approval.
